Entering a Student Job in the 12Twenty Platform

To post a position you must log in to the 12Twenty platform @ <https://employer.12twenty.com/hire>. Having trouble logging in or do not have an account, see above section for *Gaining Access/Logging in to 12Twenty*.

Once logged in, from the Home screen, click on the blue “+Post” button in the “Post a Student Employment Job”.

Alt Text: Screenshot of the 12Twenty home page interface for employers from the University of Connecticut. The left sidebar menu includes options: Home (selected), Job Listings, Candidates, Help & Support, and Orders. The main section displays a blank "Announcements" panel and a "Post a Student Employment Job" panel with a description encouraging job posting to find suitable students. A blue “+ POST” button is below the description. The UConn logo and "UNIVERSITY OF CONNECTICUT" text are partially visible in the background.

In the next screen you will need to provide the following information, as outlined in the tables below.

Section: Application Methods

Apply via This Site	Selecting this option will allow applicants to apply to the position directly within 12Twenty. It is highly recommended that you utilize this function as this will be the best way to organize and communicate with applicants.
Apply via External Link	Selecting this option will require that you provide an external link where candidates can apply.
Apply via Email	Selecting this option will allow candidates to send their application materials to an email of your choosing.

At least one application method must be selected as "Yes". Again, it is recommended that you choose the "Apply via This Site" whenever possible as this will contain the entire process to the 12Twenty platform.

Section: Job Description

Job Description & Requirements*	In this section you will copy/paste your full job description and requirements for the position. You may also utilize this section to provide written instruction to candidates regarding all application materials that you will require, such as résumé, cover letter, writing samples, answers to an additional application questionnaire, or other materials.
---------------------------------	---

Section: Attachments

In this section you can attach additional files such as an application questionnaire, a document with additional information about your department/program, or any other relevant materials.

Section: Application Document Requirements

In this section you may request or require students to submit documents when applying for the position such as a résumé, cover letter, writing sample, or other document. Résumé will be pre-populated as a required document. To remove this requirement but keep as a requested document, uncheck the box. To remove it altogether, click on the blue "x".

Application Document Requirements

Request or require students to submit below documents when applying to this job:

Document Type	Document Display Name	Is Required?
Resume ▼	Resume	<input checked="" type="checkbox"/> ✕
+ Add Document Type		

Alt Text: Screenshot of an "Application Document Requirements" form interface. It prompts users to submit required documents when applying for a job. The form includes three columns: "Document Type," "Document Display Name," and "Is Required?". A dropdown under "Document Type" is set to "Resume," the display name field also says "Resume," and the "Is Required?" checkbox is checked. Below is a link labeled "+ Add Document Type."

Section: Job Dates

Section: Eligibility

Student Group*	You must select either All Students, Undergraduate Students, or Graduate Students. Notes, this will limit the visibility of the posting to the group that you select. It is best practice to have it listed for all students to maximize your candidate pool.
Degree Level	This is not a required field and we ask that you leave this section blank. Selecting an option within the “Degree Level” menu will not be applied to student employment positions. If you are interested in recruiting students with a particular degree, we recommend including this information within the job description/requirements.
College/School	This is not a required field and we ask that you leave this section blank. Selecting an option within the “College/School” menu will not be applied to student employment positions. If you are interested in recruiting students from a particular college/school, we recommend including this information within the job description/requirements.
Major/Academic Program	This is not a required field and we ask that you leave this section blank. Selecting an option within the “Major/Academic Program” menu will not be applied to student employment positions. If you are interested in recruiting students from a particular major, we recommend including this information within the job description/requirements.

Once you have completed each of the required fields click on the blue “Submit” button at the bottom right of the page.
